

LESSON 10

Don't get stuck in the planning phase of any aspect of your business. Take decisive action and make moves to implement your ideas.

Tip

Creating a timeline to get unstuck will help you be intentional about taking specific, measurable action.

Are you currently stuck in some aspect of your business operations? Note the specific details here.

Why do you think you're stuck? What's the underlying reason? Be open and honest with yourself here.

List the names of people you can call on as brainstorming buddies to help you get *unstuck*.
